This Year's Christmas Veg Boxes

The Sussex Produce Company is pleased to be able to offer our Christmas service once again this year. Simply follow the easy steps below and we will ensure that all your Christmas fruit and vegetables are packed and ready for collection from our back door. No parking problems, no queuing and no fuss. Just fresh, seasonal and local produce - straight from the farm to you. If you would like any help filling the form out, we will be happy to help - just ask!

How to Order

Price per unit e.g. brussels sprouts are £1.25 per 500g.

The most important bit! Tell us what you want (in terms of "units") e.g. this customer would like 2 x 500g of sprouts.

We thought it would be useful to suggest how many people each unit would feed (in this case, 500g of sprouts feeds approx 4 people) - please note that this is only an approximation.

Produce	Price £	Unit	Feeds	Order ?	Total Cost
Brussels Sprouts	£1.25	500g	4	2	£2.50

Total monetary cost.
We are happy to add all this up and phone you for payment after you hand the form in.

Alternatively feel free to add it up yourself and pay in the shop.
