Charity of the Month initiative

The Sussex Produce Café is proud to support local charities and not-for-profit groups.

Since we first opened in 2007 we have supported over 50 local groups with our **Charity of the Month** initiative and have helped to raise in excess of £10,000 for local good causes.

We invite groups to use the form below to indicate their interest in being our Charity of the Month, where we offer the following:

- We will place collection 'tins' at our shop till points
- We agree to host a fund-raising evening dinner. The charity will add their chosen donation to the cost of the meal. For example; the meal may cost £19.95 and the charity sells the tickets for £24.95
- We provide a Sussex Produce Company hamper for raffling with all proceeds going to the charity

All we ask is that:

- The Charity promotes the dinner as much as it can. We are happy to display posters.
- The minimum attendance is 35 and the maximum is 80
- The event is held mid-week
- The Charity allows us to use their name and logo in any marketing or PR material

Charities or groups with a special initiative or appeal during their chosen month (i.e The Royal British Legion with their Poppy Appeal in November), will stand a stronger chance of being chosen.

Name of applicant:
