Home Deliveries

We're Here to Help

We will be offering a home delivery service whilst the Coronavirus remains an issue, for customers in the BN44 post code area.

Simply follow the instructions on the rear of this card and we will deliver to your door.

Follow the official coronavirus advice at www.gov.uk

For most people it is only a very mild illness. Don't panic or stock pile, keep an eye on your neighbours and just keep this leaflet in case you or someone you know want's to use it.
