

PLEASE HELP!

**HORSHAM DISTRICT FOODBANK
HELPING LOCAL
PEOPLE IN CRISIS**

**Your local foodbank is running out
of essential items for those in need.**

We already donate all of our chilled lines that are going out of date but we rarely have ambient (long life) products.

If you are able to donate anything, we will donate an item as well.

Any help you can give at this difficult time would be greatly appreciated.

Thank you.

The Sussex Produce Company
